SUDDEN CALL FOR WELL KNOWN CITIZEN

Robert G. Jones Dies In Louisville While Undergoing Operation For Cancer Of Face.

Robert G. Jones, for eleven years the town marshal of Stanford, died suddenly and unexpectedly in Louisville Wednesday afternoon, while undergoing an operation for cancer of the face with which he had suffered for some time. Mr. Jones was one of the best known residents of Stanford, and news of his death came as a severe shock to the community.

Mr. Jones was born in Rockcastle county 61 years ago. When a young man he moved to Lincoln county, where he made his permanent home. He engaged in contracting and carpentering and by frugality and energy he amassed a competence. After serving faithfully as town marshal of the city for eleven years, he retired and bought a grocery and general store on Depot street, which he and his sons were conducting at the time of his death.

His wife and five children—John, Walter, Robert, Maggie and Kittie survive. The deceased was a member of the Christian church and of the lodge of Maccabees. The burial took place on Thursday afternoon at 2:30 o'clock in Buffalo Cemetery, services being conducted by Rev. Walker. A large number of friends and loved ones were present to pay the last tribute of respect to his memory.

Sudden Death

Comes To Miss Rella Parsons While On Visit to Neighbor.

Miss Rella Parsons, sister of Mrs. W. Perry White, of the east end of the county, died very suddenly while on a visit to her neighbor, Mrs. J. M. Cress, Wednesday afternoon. She was a devoted member of the Christian church and a most excellent lady. She was about 60 years of age and besides Mrs. White, leaves another sister, Mrs. Jno. B. Merason, of Somerset, who came up to attend the burial.

The funeral will be preached at the Christian church at Crab Orchard at 10 o'clock this Friday morning by Elder J. G. Livingston, after which the remains will be laid to rest in the Crab Orchard cemetery.

Sidi Sold For \$300.

Crack Percheron Stallion Goes To Colorado Springs.

The great black Percheron stallion, Sidi, which Walter O. Walker had here for a while, has been sold by his owners, Willis Adams & Son, of Mt. Vernon, to the Exchange National Bank of Colorado Springs, Col. They had a lien upon the animal for \$3000 and the bank bought him in at that figure, but were prepared to pay almost any amount for him, as he is considered one of the best Percherons ever brought to this part of the country.

Track Team

Of Stanford High School Will Take Part In Lexington Meet.

Accompanied by the track team from the Stanford High School, Prof. J. W. Ireland will go to Lexington Saturday morning to participate in the athletic meet to be held on the field of State University. Wesley Embury will run for Stanford in the 100 and 220 yard dashes; Will McCarty will run in the 440 and one-half mile runs; Wallace Singleton will enter in the high jump, broad jump and pole vault and Harris Coleman will put the shot and throw the hammer. As young Coleman has already put the shot 39 1/2 feet and thrown the hammer 105 feet, it is believed that he is a sure winner in his events. The members of the track team, accompanied by Mike Penn, Earl Coleman and Lester O'Bannon, took in the collegiate athletic meet at Danville Wednesday afternoon to get some pointers.

Mrs. Bell Improving.

News comes from Seattle that Mrs. Coe Bell is improving and her recovery is thought to be assured. Her husband's body will be kept there until she is able to accompany him home for burial. An Harrodsburg paper says that Judge Bell seemed to have a premonition that something would happen to him for he had his accident policy changed so as to pay double in case he was killed on a street car.

Munday-Munday.

George B. Munday and Mrs. Ida Munday, his divorced wife, were again united heart and hand, here this week. The bride was originally a Miss Belden, of Rowland. Since their separation a few years ago, the groom has worked in Louisville. He is a brother of Jas. Munday of the Neal's Creek section and is a very clever man.

FACULTY ELECTED FOR NEXT SCHOOL YEAR.

All Teachers Re-Appointed, Except Two, Who Were Not Applicants For Places Again.

The faculty for the Stanford High and Graded School was elected for the ensuing year at a meeting of the board of trustees Wednesday night. Superintendent J. W. Ireland holds on for another year, under a contract with the board. He was offered the superintendency of the Harrodsburg city schools at a handsome increase in salary, but he has "made so good" here that the local board refused to release him.

All of the teachers of the school were re-elected, except two, who were not applicants for re-appointment. They were Misses Frances Adams and Annie Holtzclaw. Their places will be taken by Miss Kate Aicorn, of this city, and Miss Agnes Long, of Richmond. The latter has been attending the Eastern State Normal, at Richmond, and both are well qualified for their work.

The roster of teachers by grades for the next year's work as assigned by the trustees, is as follows:

High School—Prof. P. C. Deemer.
8th Grade—Miss Claudia Eaton.
7th Grade—Miss Margaret Hopper.
6th Grade—Miss Agnes Long.
5th Grade—Miss Kate Aicorn.
4th Grade—Miss Lena Palmer.
3rd Grade—Miss Jennie Newland.
2d Grade—Mrs. H. D. Phillips.
1st Grade—Miss Annie McKinney.
Instrumental Music—Miss Ellen Ballou.

Vocal Music—Miss Ethel Petro.
Elocution—Miss Bertha Jackson.
The present year, the last term of which is rapidly drawing to a close, has been the most successful in point of attendance and work in the history of the institution, and a still greater growth is expected in the future.

Great Mare Breaks Leg

Kate Malloy Seriously Injured And May Have To Be Destroyed.

Kate Malloy, the once great show mare, and owned in her palmy days by Judge W. A. Tribble, fell while running in the pasture Wednesday and broke her left hind ankle. She is about 20 years old and Dr. John Cook, the well known veterinarian, thinks she will not get well but will have to be destroyed.

She was on the farm of Walter O. Walker, Mr. Curtis Göver, of Crab Orchard, her present owner, having sent her down to be bred to Mr. Walker's great Carroll Preston Kate Malloy was a great saddle mare in her day and has won many a big stake. She was also good in the combined ring.

His Third Birthday.

Master Shelton Saufley, Jr., entertained a number of his young friends Wednesday afternoon from four to six, the occasion being his third birthday. Games were played and all drew for a prize box of candy, George Fleece Faris being the lucky youngster. Among those who came to congratulate the little man on his third birthday were James Paxton, Frances Tate, Annette and Georgia Wray, Effie Withers, McClary, Eddie Bruce and John Baughman, James M. Bright, Lucile Ireland, Lucile and Louise Waters, Morgan Smith, Baughman, James and Earle Baughman, William Henry Baughman, Lucile Walker, James Engleman, Annette and Sadie Wearan, Nancy Kath McKinney, Sallie Mills, Annette and Sam Craig, Frances Embury, Isabelle Harvielle, Sara Katherine Walker, Katherine Beck, George Fleece Faris.

Prompt Settlement.

The Glens Falls Insurance Co., represented by Fish & Pennington, has made a full and satisfactory settlement with me for damages done to my house and furniture on April 30. I am well pleased with the settlement. Lizzie Salter.

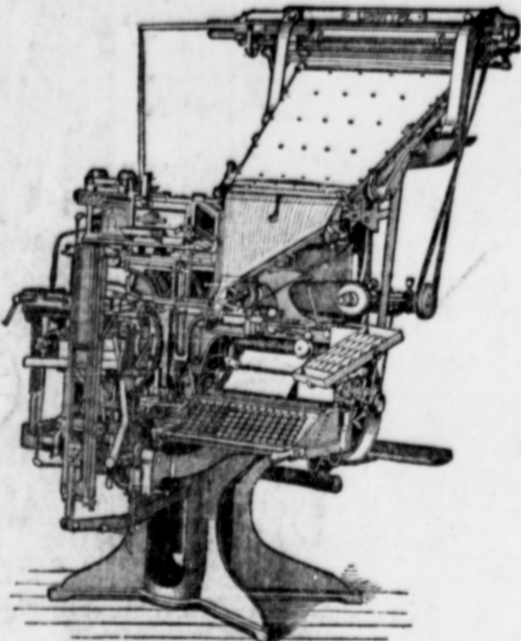

Back In The Harness.

W. H. Brady didn't stay out of business as long as Pat stayed in the army. Only a few weeks ago he sold his grocery store to Campbell & Mueller and now he again smiles behind the counter of that store, having bought the business back.

Night Riders At Work Again.

Night riders burned the tobacco barn of George H. McKibben, in Bracken county Tuesday morning with between 5,000 and 7,000 pounds of tobacco that was not pooled. McKibben had received night rider warnings which were turned over to Federal officers.

Linotype Machine Soon To Be Installed in Interior Journal Office

Believing that the best is none too good for the best people on earth—the constituents of the INTERIOR JOURNAL—a Mergenthaler Linotype, or typesetting machine, has been purchased, and will be here and installed in the office within a week or so. To attempt to describe this wonderful machine would be futile, for it has over 3,000 working parts, and is one of the most delicately constructed and finely-built mechanical aids to mankind that has ever been invented. It is a tremendous labor saver, one machine being capable of setting as much type as four or five fast men, and all of the trouble and time consumed in distribution of type is saved. In addition, the type is always new and clean, and the paper enabled to show a much nicer print.

All of the dailies and many of the progressive country papers are now using linotype machines, and the INTERIOR JOURNAL, never behind the procession, will continue in the front rank of progress and improvement, with the aid of this wonderful machine. With it, the job department will be enabled to turn out catalogues of all kinds, circulars, etc., at a very rapid rate and at a great saving to all concerned, while a much larger newspaper can be printed, with more live news in its columns.

As soon as the linotype arrives from the factory and is installed, the INTERIOR JOURNAL will invite all of its friends to call and see in operation the machine which is said to most nearly resemble a human being in its capacity for intricate manipulation and wonderful work.

DUDES AND "DUDINES" WOULD BE "IN BAD"

If Judgment Day Caught Them Unprepared, Says Dr. Carpenter at Anti-Tuberculosis Meeting.

Stanford enlisted in the Anti-Tuberculosis war at the mass meeting of citizens held at the Presbyterian church last Sunday night, and will be heard from in the splendid campaign which is being made by the State Association. Every seat in the church was taken and many were turned away from the doors, unable to gain admittance. All of the pastors of the city occupied seats on the rostrum and all the physicians who could get away from patients were present.

The meeting was announced to be held under the auspices of the physicians and three instructive addresses were made by Drs. M. M. Phillips, J. G. Carpenter and W. B. O'Bannon. Rev. D. M. Walker, of the Christian church, presided. Rev. J. J. Dickey, of the Methodist church, read a Scripture passage and Rev. John T. Hoskins, of the Baptist church, offered prayer, after which Dr. Phillips read a splendid essay upon the "great white plague" and its causes. He showed how it has been proven to be a curable disease and gave other reasons for encouragement to those who are waging such vigorous war upon it.

Dr. Carpenter followed with an address which held the undivided attention of every one. He declared that Lincoln county ought to have a tuberculosis sanitarium, and after opening the eyes of many in regard to that disease, drove home some potent facts regarding the moral and physical side of this city. He declared it was a shame the way the "dudes and dudines" of the present day violated the laws of nature. He decried the fashion of low neck and short sleeves, and other scanty apparel in the coldest weather and asked how the physical or moral nature could be expected to grow when the outer being was freezing. He asked what some of the present day belles and beaux would do if the judgment day were to come and catch them as they sometimes are. He urged the opening of homes to more fresh air for the better protection against tuberculosis and other diseases. He said that pet dogs, cats, lizards and snakes should be kept out, for they bring germs of all kinds.

Dr. O'Bannon made an eminently practical and interesting talk, declaring that the body must be protected further by care in the diet. He pointed out the fallacy that much meat is necessary for endurance and said that a more vegetarian diet has proven much the better. Dr. O'Bannon argued against the indiscriminate kissing of babies, and gave many other points which proved of much value to all. Another meeting is already being planned here at which typhoid fever will be discussed.

Three Big Fish.

Frank Rout Proves Himself An Able Disciple of Izaak Walton.

B. Frank Rout not only knows how to successfully manage the Stanford Water, Light and Ice plant, but is a past master fisherman also. He fished in the lake a short while the other day and landed a six pound bass and two other bass that weighed 5 1/2 and 4 1/2 lbs. respectively.

Jason Wesley

Resigns From Revenue Service And Will Locate at Danville.

Jason Wesley, said to be the most popular man in the "State of Casey," handed in his resignation as gauger in the revenue service under Collector J. Sherman Cooper and will move to Danville and take the position of chief clerk to Mitchell Taylor, the state king. He was formerly circuit clerk of Casey and is a most competent man for his new position. He has been stationed at Tyrone, in Anderson county, since he took up the revenue service work the first of January.

Soper-Wesley.

Prof. E. O. Wesley, of the Middleburg Graded School, and Miss Emma Soper, formerly of Garrard, but now of Washington City, were married here Wednesday at the home of Rev. R. B. Mahony by that gentleman. Prof. Wesley is a well-known and popular instructor and his wife is said to be a very charming woman.

Landram Estate Gets \$5,000.

The omnibus claims bill, carrying a rich gift of \$65,000 for Kentucky, includes two items which only the determined work of Senator Bradley secured. One is for something over \$5,000 due the estate of the late Gen. Wm. J. Landram, of Lancaster. He was collector for the old 8th internal revenue district and failed to receive certain of his perquisites. The bill grants him these.

Saves An Iowa Man's Life.

The very grave seemed to yawn before Robert Madison, of West Burlington, Iowa, when, after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Electric Bitters. For, after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. It's positively guaranteed for Stomach, Liver or Kidney troubles and never disappoints. Only 50c at G. L. Penny's Drug Store.

MIDDLEBURG WOMAN WHIPPED HUSBAND

And When Arrested "Played Possum" On Officer—Interesting Letter From Casey.

MIDDLEBURG, KY., May 5, 1910.

Lucy Black was arrested last week charged with whipping her husband, John Will Black, and will be tried this week. The parties live in the Hatter creek section. Constable Marion Black executed the papers on Mrs. Black and started to Squire Staton's to deliver the goods, when his prisoner "went dead" on him, and, tumbling over on the ground, refused to budge. He sent one of his posse to a neighbor for a wagon, but before he returned she got able and willing to "mosey" on up to the Squire's office.

The splendid fruit prospects went glimmering on the night of the 23d ult. The frost got everything in sight and made quite a dive for that beneath the surface. Corn that had been planted is thought to be killed, or so damaged as to require re-planting.

Some 25 teamsters who were hauling cross-ties for Jason Coffey at Yosemite went on a strike last week, demanding an advance of 2 cents on the tie. The strikers held a pretty stiff upper lip for a few days, but seem to be weakening, as some of them have returned to work.

A young divinity student of Georgetown College will preach at the Baptist church here Sunday morning and evening. Willie Watkins, of Barbourville College, will be here and make a talk to the church on Saturday night before. Mr. Watkins has decided to make the ministry and teaching his life work, and he says that he wants to begin at home.

Several ladies of this vicinity will boycott the broom-makers next year. Some 50 or more pounds of broom corn seed have been ordered and a pretty general crop will be raised. Cephas Bastin has promised to put in machinery at his mill and will tie them on the shares. This seems to be the proper thing to do, and if the farmers will put in a good crop they will likely find it a profitable business.

The Sunday-school convention at the Christian church at Yosemite was well attended and seemingly well enjoyed. Liberty seems to have been better represented than any other portion of the globe. They came from there by every conceivable means of conveyance imaginable, and there were among them several as jolly lads and lasses as one is likely to meet in a lifetime.

In the magistrate's court at Yosemite, Ben Patterson was given a fine of \$10 and five days in the county jail for cursing old man John Vest. Dick Littrell got one cent and cost for shooting Mrs. Eliza Carman's dog. The case of a breach of the peace against Mrs. Bivney Sims was continued to May 26th. Warrants were sworn out for J. W. Badget, charging him with selling beer and other drinks that intoxicate, at his soft drink stand at Hartwell, and for keeping open his stand and selling on Sunday.

J. S. Murphy came down from McKinney Friday afternoon, accompanied by his son, and remained over till Sunday with his daughter, Mrs. McD. Fogle. A. R. Spears, of Moreland, was here Sunday. Mrs. Laura Lee and daughter, Miss Bessie, and Miss Esther Murphy spent Sunday with homefolks at Kingsville. Mesdames Thos. Gooch and J. S. Murphy attended the Sunday-school convention at Green river church Sunday. McD. Fogle, H. C. Estes, S. Lyons and Jordan S. McWhorter went to Liberty last week as witnesses against J. W. and Tom Badget, charged with violating the local option law.

The election of trustees for the graded school will take place here Saturday. There is a pretty good-sized fight on between the graded school and anti-graded people, and it is hard to tell at this writing what the result will be. The antis have a ticket in the field in the persons of Charles McWhorter and Reuben Staton, and the friends of the school are running C. C. Compton and W. J. Godby, and both parties are getting busy. The graded school people say they have the race won and it looks somewhat that way to a man up a tree, but we will know more later on and will tell you about it in our next.

Lightning's Damage In Pulaski.

Lightning set fire to one of the large storage oil tanks of the Cumberland Pipe Line Co. at Somerset and it was destroyed. There were 30,000 barrels of crude oil in the tank, which was a total loss. There were several other tanks of similar capacity near the burning tank, but they were saved. Lightning struck the tank during a heavy thunder storm Tuesday morning.

QUARTERLY MEETING AT HUBBLE THIS WEEK

Three Days' Session To Be Held—Mrs. Barker Breaks Her Arm—Other Live News From Little Burg.

HUBBLE, KY., May 5, 1910.

Quarterly meeting begins at McKendree Methodist church here Friday evening. There will be preaching Friday, Saturday and Sunday, with Presiding Elder Robinson leading the services. Much interest is felt in these meetings by the good people of this community and large congregations are expected to be present. Sunday, June 12, is Children's Day and elaborate exercises will be arranged for its celebration.

Mrs. Thomas Barker is suffering from a fracture of her right arm, sustained when she fell while backing away from a vicious horse. Dr. Hickie set the injured member and she is resting as comfortably as possible under the circumstances. Mrs. A. M. Luce, who has been quite ill, is considerably improved, her friends are glad to know.

Sam Harris is limping a trifle on account of one end of a harrow dropping on his foot. A tooth penetrated his foot and caused a very painful injury.

A. P. Sloan has just completed the school census of this district and it gives a very creditable showing. He found 88 white and 49 colored pupils in Hubble No. 1.

L. P. Weaver has returned from Lexington, where he underwent a severe operation for catarrh. He was much benefited.

S. B. Sanders, the popular postmaster and storekeeper, has been on a visit to Somerset. His friends are congratulating him that he came back sober, since Somerset has gone "wet."

Will Spoonamore bought a two-year-old gelding from Sam Harris, for which he paid \$175. He sold a horse to Mrs. J. C. Rankin for \$165. J. L. Sloan sold four hogs to Lawson & Brown at 84c. J. S. McKittrek sold to the same firm seven at a similar figure. Squire Jas. McKechnie sold a good family horse to Tom Wilder for \$150, and Mr. Wilder sold the same animal to Mrs. Bettie Broadus for \$185. Boner McKechnie has returned from Danville, where he attended the circus and had a fine time.

Two More Suits

Filed With Col. Swope to Be Tried At May Term of Court.

Two more suits to be tried at the coming term of circuit court here have been filed in the office of Circuit Clerk Swope. W. R. Singleton, of Waynesburg, asks \$200 damages from the Cincinnati Southern railroad for loss of fences and timber, which, he alleges, were set on fire by sparks from the company's engines. Attorney George D. Florence filed the petition for Singleton.

M. G. Murphy filed suit, by Attorney P. M. McRoberts, against G. A. Walter, J. B. McKee and J. W. Acton for \$750, growing out of the opening of a certain turnpike near King's Mountain, which is said to have been quite prolific of litigation. This action is more or less a friendly one to determine the status of the affair.

Prospecting In West.

Dr. O'Bannon Looking For Place To Establish Sanitarium.

Dr. W. B. O'Bannon left Wednesday for a lengthy trip through the West. He will first visit his brother, Richard, at Garden City, Missouri, and after that will go to Texas and New Mexico points. Dr. O'Bannon will keep his eyes open for a good sight for the establishment of a large sanitarium. He says that he does not contemplate leaving Stanford permanently now, but would like to establish a big institution of this kind in the west.

Some Eggs.

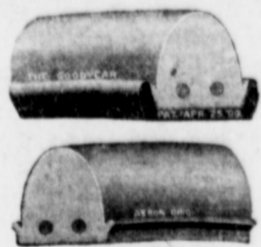

Land & Buchanan sold to Gott, of Lancaster Wednesday 42 cases of eggs. There are 30 dozen to the case, making 15,120 eggs. They were all bought since Monday morning.

Cecilian Leaf

44165.

Sired by Red Leaf 21390, the greatest of all roadsters; 1st dam Day Maid by Cecilian, he by Gambetta Wilkes; 2d dam Nell by Balsora 1024; 3d dam Noon Day by St. Elmo 275; 4th dam by Pilot, Jr. 12.

[In Cecilian Leaf the blood of C. F. Clay and Red Wilkes is united with that of Gambetta Wilkes and Pilot, Jr., and should prove a cross which cannot be excelled.

Cecilian Leaf is a well developed, registered trotting colt, four years old. He is a rich bay with two white hind feet and a star; is exceptionally rangy for a trotting horse, especially graceful in the neck; stands full 15 3/4 hands; has high action and lots of style and finish, which, in addition to his speed, makes him an ideal horse for the stud. These qualities are just what is needed in a sire to breed high class harness and walk-trot horses, and it is the walk-trot that sells for the most money and has the readiest sale. Cecilian Leaf is unmailed but can trot in 2:28. He will go for a record this summer.

He will make the season at the Pink Cottage barn 1 1/2 miles from Stanford on the Hustonville pike. The fee to a limited number of approved mares this season will be \$15 for a living colt. Season fee due when mare is parted with.

In offering the services of this young horse whose sire and whose dam's sire are among the very foremost of all Kentucky's horses as sires of fancy show horses, I believe that I am making you an offer of rare merit.

Bids For Road Work

Too High, So Fiscal Court Will Have Re-Letting.

The fiscal court at its meeting Wednesday, April 29th, rejected all bids for crushed or broken stone, to be spread on pikes, because all stone bids were too high, or at least the court so believed.

New bids will be opened May 11th, and any one desiring to bid must do so by sealed bids on or before 10 o'clock a. m. May 11th. This only includes pikes heretofore re-advertised and not those bids heretofore accepted.

It was decided by the court to let the successful bidder have the county rock crushed free of charge on these contracts.

All bids must be sent sealed to S. K. Dudderar, Supervisor.

Dorsey Golddust,

12052.

Full Brother to Estelle No. 219. Sired by Zileadi Golddust, 4400—by Golddust 150, by Vermont Morgan and on to Justin Morgan. The dam of Zileadi Golddust was by Imp. Arabian stallion Zileadi. The dam of Dorsey Golddust is Florence by Golden Mingo Chief, a son of Gaff's Comet Morgan.

Note—This is an intensely inbred Morgan stallion, the blood now in demand. A rich dappled bay, black points, 16 hands high, 1200 pounds stallion of great beauty and action, with speed and endurance and unexcelled as a producer of high class show, road and Eastern horses. The records of his produce both in show and sale rings show his value and merit as a producer of fine road, show and sale horses. A look at sire and colts will be convincing.

Will make the present season at my farm 2 1/2 miles from Stanford, Ky., to approved mares at \$15 to insure a living colt. Mares kept at 10 c a day. The best of attention given but no responsibility for accidents or escapes.

ARCH DUNLAP, of the Frankfort News, the Capital City adjunct of the Courier Journal—for both have the same guiding star—thinks that we talked out in meeting too freely in stating publicly our reasons why Ben Johnson is not the right man to make the democratic nominee for governor, and will either have to "eat" our words or turn bolter in the event of his nomination.

We would like to ask our good friend if it were not much better for both the democratic party and the state for the people to fully consider questions of the availability and qualifications of every candidate before making nominations than afterward? We deny that we "attacked" Mr. Johnson or had any "bitterness" in our humble discussion of his merits as a candidate for governor. We simply gave our reasons for belief that he would prove a very weak leader before the people and is not the man for the democrats to nominate if they have hopes of victory in the next state election. Is there heresy in that? Because Col. Whallen and the Courier-Journal are moving heaven and earth to nominate Johnson for governor, shall all good democrats and lovers of their party's success, sit quiet and accept with meekness and thanks what will be handed them, if this pair of political pirates have their own sweet way?

We thank our friend for his belief that we will not bolt if Johnson is nominated. He has every reason for assurance that we would not desert our party or its nominee. Would that we could say the same of him and the guiding spirit of his newspaper. But it is enough to make a canine cachinnate to think of this pastmaster of bolters even remotely abhorring the prospect of any good democrat bolting, should not a candidate of his choice win a nomination. But it may be that repentance in sackcloth and ashes over the part he and his paper played in conspiring and leading the bolt against the democratic nominee for United States Senator just four years ago, has led him to this extreme conscientiousness lest others also go astray. We hope this is so.

But as we started out to say, doesn't it look like things have come to a pretty pass when democrats are to be denied the privilege of calmly and dispassionately discussing the qualifications or fitness of any candidate for an office for which he is asking their support, more especially when the candidate is such as to furnish ample food for earnest consideration by the party?

The Frankfort State Journal booster edition was a daisy and reflects great credit upon the management. It not only contained write-ups of the principal business interests of the capital city, but had a comprehensive description of some of the Eastern Kentucky country, which is becoming so prominent by reason of its marvelous mineral and timber wealth.

THEODORE ROOSEVELT and family now go to Merrie England for a stay of three weeks, and then home. King E' will put the big pot inside the little one for his distinguished guest, but just wait till that home-coming in New York is pulled off and things are started right for the third-term boom.

WILLIAM JENNINGS BRYAN gives positive assurance that he will not offer for U. S. Senator. Let us hope that he is not saving himself for the nomination for the Presidency. Mr. Bryan has had three strikes, and three strikes is out.

The reading public of Frankfort has our sincere sympathy. Both newspapers there are running popularity contests. The prizes range from automobiles to lamp shades and the woods are full of "candidates."

No Money For Teachers

State Treasury Again In Straits

No money will be paid to teachers in the country schools during the month of May, and if the teachers get anything during the month of June they will be lucky. Capt. GOOD NEWS.

Many Stanford Readers Have Heard

"Good news travels fast," and the thousands of bad back sufferers in Stanford are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Thousands upon thousands of people are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

George Wright, Stanford St., Lancaster, Ky., says: "I have never yet known of a better kidney remedy than Doan's Kidney Pills. Last fall my back ached a great deal and my kidneys were badly disordered. The secretions from these organs were scanty and painful in passage. I fortunately had Doan's Kidney Pills brought to my attention, and getting a box. I began their use. They relieved me quickly, and in return, for the benefit I received, I am willing that my name should be used in endorsing them. My advice to all sufferers from kidney trouble is to give Doan's Kidney Pills a trial." For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Hustontville.

The barn of Mrs. Bettie Williams was burned about 10 o'clock Saturday night together with 40 to 50 barrels of corn, lot of hay, buggy and harness, six hogs and a lot of farming implements. There was no insurance and the origin of the fire is a mystery.

Pet Dunn, of Lexington, installed a gasoline lighting system in the Green River church near Yosemite last week. Miss Alice Lyons and Fred Cravens and Mrs. John Spears and James Cravens attended the Sunday school convention at Yosemite Sunday.

Cummins & Warren,

Don't tell your wife, but a lady friend told us confidentially, that the only objection that she had to the Queen Quality shoe, was that it wore so long, she could not get new ones often enough. The fine material and good workmanship that is put into the Queen Quality shoe, give it that distinguishing style and that durability that puts it into a class all to itself. See that the next pair that she buys has "Queen Quality" trade mark on them and you will get your money's worth. They are sold by

Does Not Stimulate

Ayer's Sarsaparilla does not stimulate. It does not make you feel better one day, then as bad as ever the next. It is not a strong drink. No reaction after you stop using it. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic and alterative. We wish you would ask your doctor about this. He knows. Trust him. Do as he says. 1st dam Baby Pence, sired by Enoch Arden, 2nd dam Lady Pence by Almont Forest 2863, 3rd dam by Garrard Chief.

He is a beautiful bay 15 1/2 hands high four years of age. He has more natural action than any horse living, and from his success as a show horse in his three year old form bids fair to make a greater show horse than his grand old sire, being undefeated in his class as a three year old and always getting his part in the stakes against the crack show horses of 1909.

This great young stallion will make the season of 1910 at the stock yards of A. T. Nunnell, Stanford Ky., at the reasonable figure of \$25 to insure a living colt. Mares kept at \$2.50 per month, and not responsible for accident or escape. Season due when mares are parted with or bred to other stock.

He gets first-class combined horses, give him a saddle mare he will get you a saddle colt, give him a trotter mare, he will get you a trotting colt, remember Beau Naboth is combined, with more record families than most any horse in Kentucky. G. G. BEAZLEY, Stanford, Ky.

DON VARRICK

This magnificent brood young stallion will make the season of 1910 at my stable near Stanford, Ky., on the Shelby city pike at \$10 to insure a living colt. Don Varrick is 16-2 a beautiful chestnut short back heavy bone in fact the highest type of the trotter and perfect disposition. He is by the great Onward Silver 2:50, that won the \$5,000 Transylvania in a seven heat race in 1902 and the same year won the \$10,000 Bonner Memorial and the M. and M. all in broken heats and sold for \$21,000 and later for \$25,000. Don Varrick is bred exactly like Spanish Queen that won the \$5,000 Transylvania in 1908 making a record of 2:37 and was classed as one of the big four, being one of the greatest money winners on the grand circuit in 1908.

Onward Silver is by Onward, one of the greatest and best sons of George Wilkes. Onward's dam was the dam of Director, the sire of that great family of trotters and pacers. Don Varrick's 1st dam was by Wilkes Boy, by George Wilkes a full sister to The Way 2:15, and half sister to Madeline Patchen the dam of Rubber 2:10, Winchester 2:19, Billy Wilton 2:30, and Miss R. 2:30, 2nd dam Mary by Boggs' Grey Eagle the dam of The Way and Madeline Patchen.

Don Varrick's dam produced Dr. Conner that paced a public half mile on the Lexington track at 16 months in 1903, and sold to N. W. Hubbard of New Haven for \$1,000, she also produced Maggie 1:50, that trotted a half mile on the same track at 16 months old in 1911 and sold for \$500. Don Varrick is fast game and always on the trot, very rarely ever leaves his feet. In a weeks handling last Fall he trotted a quarter on half mile track in 34, sec. half in 1:10 and the mile in 2:37 on the outside of track. Please note the rich inheritance of speed on both sides, not a missing link for generations. Breed to this fellow and you will not miss the four things a horse should look for size, disposition, speed and looks. See him before booking your mares. Season money due when mares are parted with or bred to another horse. Mares kept at 10c per day and all care taken, but will not be responsible for accidents or escapes. Don Varrick is a 2:10 trotter if he had the proper handling.

Also at same place will stand

CLIFTON and RUSSEL. Clifton is a black jack with light points, 4 years old last September, 15 1/2 hands high with a matchless head and ear, well set on a rangy neck, has plenty bone and substance and as a breeder he is not surpassed.

RUSSEL

Is a black jack with light points, 4-year-old last August, full 15 1/2 hands high with as old patrons to remember me. I also ask that breeder he is the equal of any jack. Both of these jacks will serve mares at \$10 to insure a living colt. Trading the mare forfeits the insurance. Care will be taken to prevent accidents, but will not be responsible should any occur. Jennets will be cared for after June 1st, and bred by private contract.

All Hail to the Farmers and Stockmen! Behold the Conquering Herds Have Come!

The fine young Jack Excelsior sire Emperor dam Hidalgo jennet, imported, will make the season of 1910 at the Cedar Creek Valley Stock, Grass, Hay, Grain and Tobacco Farm, 2 1/2 miles south of Crab Orchard, Ky., on the Chappell's Gap pike. He was specially selected from the "Great Jack Herd" of Mr. Isaac Shelby Tevis, Travellers' Rest prior to his jack sale two years ago; for the 1,000-acre ranch. This jack is in his fifth year; is black in color with characteristic

gray trimmings—a true picture of an ideal jack; a paragon of style, symmetry and perfection; has magnificent head, ears, neck and body; a strong, pleasant countenance expressing gratitude; alert, aquiline eyes; the ears the right size, form and beauty, that vibrate in unison and harmony; animated by true and fond emotions. The neck, shoulders, trunk, feet, legs, thighs, muscles, sinews, bones and tail correspond in unique proportions and at once indicate he is a picturesque model to his Jackship. He has the action, agility and animation of a "race" or Arabian seed, and demonstrates to the beholder, he is the gifted son of a noble sire, and has always transmitted to his colts size, form, symmetry, style and beauty with elegance, and these attributes make them sell high. All colts of his have been mare mules except two and all have sold from \$65 to \$125 at weaning or soon after weaning except two; they are not for sale. Excelsior has a strong, snoring rhythmic, tenor voice and brays the hours in chronological order, and in short or long metre, sing:

Onky! Onky! Onky! I say, I say! Excelsior—the Royal Donkey!

Was sired and foaled in Old Kentucky, And lives to work and for luck.

I say! I say! I'm the Royal Donkey!

I say! I say, See and hear the Royal Donkey!

Chorus—Onky! Onky! Onky!

Jenny, Jenny, my Jenny!

Onky! Onky! Onky!

By special permission the following gentlemen and citizens of Lincoln county have kindly consented to be used as reference and endorsement; having raised or purchased his produce and personally know this jack as a great breeder and that his colts are rated with the best; viz: Messrs. John Saylor, John Henry Harris, Brom F. Long, Morgan Chapple, George Holmes, Lute King, Bowen W. Givens, Jacobum Retenrach and H. S. Tevis.

Excelsior will stand at \$8 under same conditions as the stallion Redalgo. Excelsior is the sire of a very fine jennet colt and is destined to be a great jennet jack. The season for jennets will be \$15.

Galton's Pedalgo

The young stallion, Galton's Pedalgo, will stand at the 1,000-Acre Ranch. He is a dark bay, 15 hands high, four years old; has all the essential factors of a model stallion. Sired by Galton 12910; dam Pedo, register No. 3715, she (by Falconer's Abdallo Membrino—the season cost \$10); 2d dam Lottie Morey by C. F. Clay, etc. This stallion combines the blood of the Hamiltonian, Wilkes, Membrino, Seely, American Star and Clay families, and will stand at \$10 to a limited number of good mares. Lien retained on colts until season is paid. Money due at once if mare is sold or traded. Will not be responsible for accidents or escape of mares. Mares pastured at \$2 per month. If you want stylish, fast trotters, breed to Pedalgo.

Bulldine, the Peerless.

A hornless, red Short Horn Bull, an ideal animal in color form, style, size, symmetry, weight, muscle and bone, will stand at One Dollar, cash at the lot, with privilege of return.

All farmers should raise the best beef cattle; it pays to keep the best. It is the bull that is the great factor in transmitting ideal conditions and developments in the herd. Therefore, bring your cows and get calves you will be proud of and that will sell themselves without chin music. Farmers who breed to the best sires, raise the best stock and get the best prices. We ask the courtesy to purchase at the market price the progeny of these fine animals over other buyers.

The King of Lincoln

A notable and prolific sire. This Jersey bull was sired by Dr. Vaught No. 72945; dam Roberta No. 123610, "A. J. C. C. No. 8 West 17th St., New York, N. Y." will stand at Three Dollars, cash at the lot, with privilege of return. Cows and heifers pastured at reasonable rates. This bull's progeny have been 85 per cent heifers. His high grade heifers have sold from \$35 to \$50 per head as short and low yearlings. Every family should have a good Jersey cow, as a matter of fact, economy, good living. Always have golden Jersey cream and butter, for no other tastes like this good, yellow butter.

Stockmen and tobacco raisers will do well to keep their eyes on 1,000-Acre Ranch with its fine stock, grassy pastures, abundant water, prolific limestone and much virgin soil, picturesque forests and timber and beautiful landscapes, wire fences and grand pits, numerous tenant houses and tobacco barns. This land produces the finest quality of tobacco; crop of 1908 sold for 16 1/2 cents; 1909 crop sold for 15 cents per pound.

It Pays To Advertise

How Some of I. J. Patrons Have Found It Profitable Lately.

Splendid tributes to the value of the INTERIOR JOURNAL as an advertising medium and as a business puller were paid to it last week. In the first instance the little son of Jack Beazley lost his nice dog. Mr. Beazley advertised for it in three issues, and after the third, called up the I. J. man and said:

"You can take that ad out, it found my dog. A man way over in Garrard telephoned me that he had the dog; and had seen my ad in the INTERIOR JOURNAL."

Mrs. W. H. Wearren had a pen of fine Black Minorcas for sale and of course advertised them in the I. J. Mrs. Amanda Bowyer, of McKinney, saw the ad and came to town and bought the birds and some eggs too. She told Mrs. Wearren she had read her ad in the I. J.

Smith Baughman advertised some Jersey cows for sale. He told the I. J. man Friday to take the ad out, they were going so fast. "Rev. F. M. Tindler, of Lancaster, came over and bought three, paying me \$50 apiece," said Mr. Baughman. "He said he read my ad in the Stanford paper."

And it has already been told how Mrs. Leticia Wood recovered her glasses through the I. J. The moral of all this is obvious.

An Expert's Opinion of Skin Diseases.

A prominent, national expert on skin diseases whose name you are familiar with, says that in all his scientific experience he has never found so hard a disease to conquer as eczema. Yet he does not hesitate to recommend ZEMO as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular, but also the fact that it is a clean, liquid remedy for external use. A great improvement over the old style greasy salves and lotions which are not only unpleasant to use but do not destroy the germ life that causes the disease. ZEMO draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. G. L. Penny will gladly supply those who call with a free sample bottle of ZEMO and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with ZEMO.

King Eagle, Jr.

Pedigree—Sired by S. T. Harris' King Eagle Vol. 6 A. S. H. R. No. 2556; he by Royal King 2555; he by On Time 745; he by Stonewall Jackson 72; Royal King's 1st dam, Mollie Mountz 2584, was by the noted sire Cabell's Lexington F. S. King Eagle's 1st dam Hip 3579, she by Eagle Bird 1014, he by Old King Eagle, 750, 2nd dam Red Lion, 3d dam Harris Denmark, he by Miller Denmark 45, 4th dam by Jim Bell. King Eagle Jr.'s 1st dam was Mollie Drennon, she by Old Drennon, 2nd dam Copper Bottom, and runs back to Davy Crockett, thoroughbred.

Note. King Eagle is five years old; dark bay with one white hind foot; nice mane and tail. He stands full 16 3-4 hands high, weight 1,425 lbs. and well proportioned in every way.

A combined stallion with plenty of speed, style and action, and his colts show that he is a fine breeder. He had colts to come last Spring that the owners refused \$150 for before weaning time. He will make the season of 1910 at our barn, one mile west of Waynesburg on Fishing Creek at \$10 to insure a living colt. Mares traded, parted with or bred elsewhere without my consent forfeits the insurance and the money becomes due at the time of such transaction. Care will be taken to prevent accidents but not responsible should any occur. Will also stand a

No Place Like Kentucky

Former Lincolnite Writes Tender Letter Back Home.

PETERSTOWN, W. VA., April 30.

Dear Editor.—Am so glad to see the great improvement in the I. J. since you took charge. Would like very much to have a hand shake and a heart to heart talk with the new editor, and in fact, all of my old Lincoln county friends.

Old Kentucky is the grandest of all the United States that I have ever traveled in. It has the finest land, horses, and best of all, the best people I have ever known.

I don't know when I was ever shocked as much as when I read in the I. J. of George B. Saufley's death from that terrible disease, typhoid fever, which has been the cause of so many deaths and heart-aches around the capital of our good country. I could hardly refrain from shedding tears when I saw his picture on the first page, so natural and lifelike. It seemed as if he would shake hands with me, as he always did when I was in Stanford and saw him. It is hard for the people to give up so great a man and in his young days too. But he who does all things well, knows best, and had higher work for him to perform. May God's blessing be with his dear mother and father in their bereavement and help them to bear it and to realize that he is much better off up there than in this world.

Princeton, West Virginia, which place I have just left, is a great railroad center at present and will be even greater in the near future. Street cars, ice factory, flouring mills, brick kilns and about 43 different business houses are some of the institutions here.

West Virginia is a great lumber, mining and grazing state, though very rough and mountainous. I like the people here fine so far, but they are not like dear old Kentucky people.

For His Sake

"My husband begged me to take Cardui," writes Mattie L. Bishop, of Waverly, Va., "and for his sake I agreed to try it. Before I had taken 1 bottle, I felt better. "Before taking Cardui I suffered miserably every month and had to go to bed until it wore off, but now I am all right."

Take CARDUI

The Woman's Tonic

You know Cardui will help you, because it has helped others who were in the same fix as you. It is not only a medicine for sick women, but a tonic for weak women. Being made from mild, gentle, vegetable ingredients, it is perfectly harmless and has no bad after-effects.

Cardui can be relied upon to help you. Try it today. At all druggists.

A touch of rheumatism, or a twinge of neuralgia, whatever the trouble is, Chamberlain's Liniment drives away the pain at once and cures the complaint quickly. First application gives relief. Sold by G. L. Penny.

The splendid work of Chamberlain's Stomach and Liver Tablets is daily coming to light. No such grand remedy for liver and bowel troubles was ever known. Thousands bless them for curing constipation, sick headache, biliousness, jaundice and indigestion. Sold by G. L. Penny.

Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach.

Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing, the free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. L. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1710 Coke street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

Kentucky Farmers

think that if they raise 20 bushels of wheat or 15 barrels of corn to the acre they are doing well.

ARIZONA RANCHES raise from 6 to 9 crops of Alfalfa a year, yield from 1 1-2 to 2 tons to the acre per cutting, which sells from \$10 to \$20 per ton. We have ranches that yield two crops of corn a year, and no dry years, for all we have to do to make it rain, is to turn on the water in the irrigation ditches.

We have fruit ranches, cattle ranches, chicken ranches, hay ranches and, in fact, anything in the ranch line, large or small, and at all kinds of prices.

Arizona will soon become a state and is coming to the front very rapidly. All kinds of property are in great demand and getting higher every day. Railroads are being built; gold, copper and zinc mines producing untold wealth, and we have the finest climate in the world.

The Electric Light Treatment.

The most celebrated and popular treatment of today.

THE ELECTRIC LIGHT TREATMENT was unknown and undreamed of before 1891. In that year Dr. J. H. Kellogg, of Battle Creek, devised the first Electric Light treatment apparatus. Two years later apparatus made after the original model was exhibited at the World's Fair in Chicago. A visitor from Germany saw the apparatus, became interested in it, visited Battle Creek to become familiar with the technique of its use, and in returning to Germany began its manufacture and sale in that country. The treatment soon became highly popular in Germany. King Edward of England was cured of a distressing ailment at Hamburg, by means of a series of these light treatments. As a result he had the apparatus installed in his Windsor and Buckingham palaces.

Emperor William, of Germany, soon after followed his example, as did several of the other crowned heads and titled families of Europe. Since then a vast number of these light apparatus have been made and are now in use in most of the leading hospitals, physicians' offices and sanitariums of Europe. More recently the medical profession of this country have become interested in this new and powerful cure and up-to-date physicians, hospitals and sanitariums are installing this most efficient means of applying a remedy which is capable of rendering important service in nearly every known chronic disease. The effect of the treatment is highly tonic and it rapidly eliminates the cause of such diseases as Rheumatism, Nervous Diseases and Digestive troubles. It has a long record of cures of Asthma, Bronchitis, Obesity, Fatty Degeneration of Heart, Neuralgia, Sciatica, Kidney and Liver Disorders, affections of joints, Chronic Headaches, Chronic Constipation, diseases of the skin and many chronic diseases of the nervous system. This Electric Light treatment can now be had in Danville of

Life-Size Portraits

Of George B. Saufley Presented To Family And To Lincoln County.

Two very handsome life-size portraits of the late George B. Saufley have been made by the Eureka Portrait Company, of Huntington, West Virginia, one being presented to his parents, Judge and Mrs. M. C. Saufley, and the other to Lincoln county. The latter has been accepted by the Fiscal court and will occupy a conspicuous place in the circuit court room of the new court house, which Mr. Saufley worked so hard to secure for the county. Both portraits are splendid likenesses of the young attorney who was cut down in the threshold of a brilliant career and it is a fitting tribute that he should be thus remembered, while the presentation by the portrait company is a token of the high regard in which they held him as their attorney and as a stockholder.

The meeting at the Methodist church is being conducted for the conversion of sinners and for the development of Christians. We cordially invite all who desire to lead a better life to attend the services. The world is to be saved not through the ministers alone, but the layman must do the greater part of the work. We wish to see the Christians of this community so filled with the Spirit that they will become "lights to the world." Let us come together and seek the Power that will fit us for service in the vineyard of our Lord. J. J. Dickey, Pastor M. E. church.

Almont Dare

3228.
 A. S. H. R.

Sired by Dignity Dare 1982, he by Chester Dare 10, he by Black Squirrel 58, he by King William 97, 1st dam Toxaway 4768, also recorded in Vol. 10, A. T. H. R. She by Abdullah Mambrino 3715, he by Almont (33); 2nd dam Lady Davis by Crit Davis, by Bourbon Chief; 3rd dam Mattie S., by Foreign Light, by Foreigner, by Imported Glenco; 4th dam Betie C., by Cunningham's Copperbottom; 5th dam by Imported Buzzard.

NOTE.—Almont Dare, so far as we are able to discover is the first horse on record having to his credit the honor of defeating with his own progeny those of his sire, Dignity Dare. Since he first became a sire he has had from 1 to 4 premium colts shown each year at the different county fairs and they are developing into a fine lot of walk, trot and 5 gaited ones. This horse is the result of a lifelong mating with the best dams and sires obtainable, and as a natural result is a fine horse, beautiful bay, about 16 hands, and made fat, would weigh around 1200 pounds. A show horse among champions, fully their peers, going 6 distinct saddle gait all fast, true and naturally extremely high. A high tailed one. He is a full brother to that walk-trot gelding Nettleton that sold at 4 year old for \$3,600, and to Troxy Dare that has won more premiums than any mare ever sired by Dignity Dare and a list of others too numerous to mention. This horse, owing to age and location, will make the season at our stable, 2 1/2 miles from Hustonville on Hustonville and Liberty pike, at \$15 to insure a live colt. Mares traded or bred elsewhere renders season due. Grass in abundance at \$2 per month. Our personal attention to all stock, but will not be responsible for accidents. Correspondence and best of all inspection invited.

Mark Jennings, a negro, who has been incarcerated for some time in the county jail for the killing of another negro named George McCowan, evaded the watchful eye of the jailer by hiding behind one of the doors and slipping by when it was opened.
